P11DOrganiser

Powered by PAS

Reduce the stress and strain of producing your P11Ds.

This easy-to-use, intuitive software can be used year-round to collect and import employee and benefit data from any system. It immediately calculates cash equivalents and produces HMRC approved faxes or electronic returns.

You can also define a range of expenses and benefit reports and generate automated Class 1A NIC, P46(car), Section 197AF claims, fuel scale VAT and company car fleet reports.

"It stands out from the others in its power, flexibility and ability to be used throughout the year." Pay Magazine

Key benefits for your business

SAVE YOUR TEAM'S TIME

Using P11DOrganiser means that production of your P11Ds is quicker and easier - so you don't have to dedicate as much of your team's time to it. This saves you money on temporary staff and also allows your people to focus on their core activity.

ENSURE YOU'RE COMPLIANT

Frequent updates keep you in line with changing HMRC regulations, so you don't have to worry about penalties for compliance errors.

GIVE YOUR EMPLOYEES A RELIABLE SERVICE

Make sure your employees don't have any problems with their tax office by providing them with accurate P11Ds first time (and save on enquiries coming into your team too!).

QUICK AND EASY TO IMPLEMENT

You'll see the benefits straight away because this solution is so easy to install and use. Learning time is minimal and high volumes of P11Ds can be produced quickly and accurately.

"With this system payroll staff can rest assured they have a system in place they can rely on year after year." (Ericsson)

"The system paid for itself many times over in the first year, these savings are set to increase further in the subsequent years." (BUPA)
